

## **TOOL LIST FOR WOODWORKING FOR THE TOTAL BEGINNER SERIES, AND BASIC WOODWORKING FOR THE BEGINNER**

Below is a list of the recommended tools for the Woodworking for the Total Beginner Courses, and for the Basic Woodworking for the Beginner. PFW suggests that students do not purchase tools until the student determines that he or she is going to pursue woodworking. Students are welcome to use PFW's hand tools. The vendors, brands and models listed below are merely suggestions based upon the experience of PFW but by no means the only high quality tools or vendors.

### **Block Plane**

[Lie Nielsen No. 102](#)

### **Ruler**

Folding extension rule, Lufkin 46X, from home center.

### **Set of Bench Chisels**

Ashley Isles – Mark II, from either [Tools for Working Wood](#) or [The Best Things.com](#)

Combination Square – We recommend the hardened steel head.

[12" Starrett, 4R gradation, with satin chrome finish rule](#)

### **Marking Knife**

[NO. 63, Two Cherries](#)

or [Woodcraft - Pfeil, Model No. 05Z11](#)

Cabinet Scrapers (set of two)
