**PFW** has a wide assortment of hand tools for students to use. However, if you have your own tools or would like an excuse to purchase some new ones, the tool list is below with some recommendations. As a starting point, PFW can happily recommend purchasing tools from <a href="Hida Japanese Tools">Hida Japanese Tools</a>, <a href="Tools for Working Wood">Tools for Working Wood</a>, <a href="Lie-Nielsen Tool Works">Lie-Nielsen Tool Works</a>, <a href="Lee Valley/Veritas">Lee Valley/Veritas</a>, and <a href="Hock Tools">Hock Tools</a>.
